ABSENTEE BIDDER APPLICATION

Please print clearly when completing all sections of the application. If bidding on more than one lot, (maximum of 10 lots) please attach a separate paper listing your bids, lot numbers, titles and max bids. **No bids will be accepted after 4:00 p.m. Eastern Time** on the day before the scheduled auction. All absentee bids are bid competitively on bidder's behalf with a minimum starting amount of at least \$100.00 – that amount is often exceeded before we can get a minimum bid submitted due to other active bids. We never exceed a maximum bid. Note: absentee bidders are bidding competitively against floor, internet, phone and other absentee bidders. When a tie bid is received from absentee, phone or floor bidders, the floor bidders' bids take priority.

All absentee bids require an **opening bid of at least \$100 and no more than 10 bids** per auction.
